For Immediate Release: DC Young Republicans to host Lisa Spies of the LS Group and Jen Corey, Miss DC 2009 at June Meeting

June, 14th, 2010, Washington, DC- Tonight at 7 pm at Washington's elite conservative venue, the Capitol Hill Club, the DC Young Republicans will be hosting noted Republican fundraiser Ms. Lisa Spies. Spies is President of the LS Group, her political consulting and fundraising firm. Spies has directed multi-million dollar fundraising campaigns and handles high-dollar initiatives for a variety of Republican candidates and organizations including: Senator David Vitter, Senator John Thune, and Senator Jim DeMint. Ms. Spies is also the Executive Director of the Republican Jewish Coalition's National Women's Committee. Also in attendance will be Jen Corey, Miss DC 2009. A proud conservative, Ms. Corey was selected to represent DC in the national Miss America pageant last year.

National Committee Woman Cherie Short said of tonight's event, "We are so proud and pleased to be hosting two exceptional women at our June meeting. In the wake of the recent Republican primary victories by so many phenomenal *conservative* women, it is clear that advancing and funding outstanding female candidates is integral to the future of our party. 2010 compared to 1992 will be the real "Year of the Woman."

The DC Young Republicans (DCYRs) is an organization of individuals between the ages of 18 and 40 committed to supporting Republican causes in the nation's capital.
